INVICTUS
INSIGHT

HONORING GANDHIJI'S VISION!

On Gandhi Jayanti, students of Invictus International School designed an exceptional and heart-felt special assembly in honor of Mahatma Gandhi-the great Indian freedom fighter. Through a series of well-executed performances, including speeches, skits, and patriotic songs, they used life, values, and commitment towards non-violence and truth. The students paid exceptional respect to the contributions he made to India's independence, and his principles were shown with clarity and emotion. Their sincerity and their hard work truly reflected the very essence of the message of Gandhi ji, making the assembly a meaningful and inspiring tribute.

RAMLEELA CHRONICALS

The three-day-long Ramleela event was an all-inclusive Dussehra assembly in which the students of Invictus International School gave a great performance. With wonderful enthusiasm and commitment, the young actors dramatized the epic story of Ramayana in a way that brought the eternal victory of good over evil alive in vivid thought before people's eyes. Not only was every moment dramatically convincing but they were also executed with impressive precision.

HAPPY DUSHERRA!

The festival of Dussehra speaks of all fun and frolic along with the oncoming wave of glory to depict the victory of good over evil. It is a day that calls for congregations when Ravana's effigy meets its end through burning and scenes from the Ramayana are enacted till Lord Rama stands victorious. this festival served as a reminder of truth, courage and the ethos of righteousness once again.

MELANGE

8th OCTOBER

2024

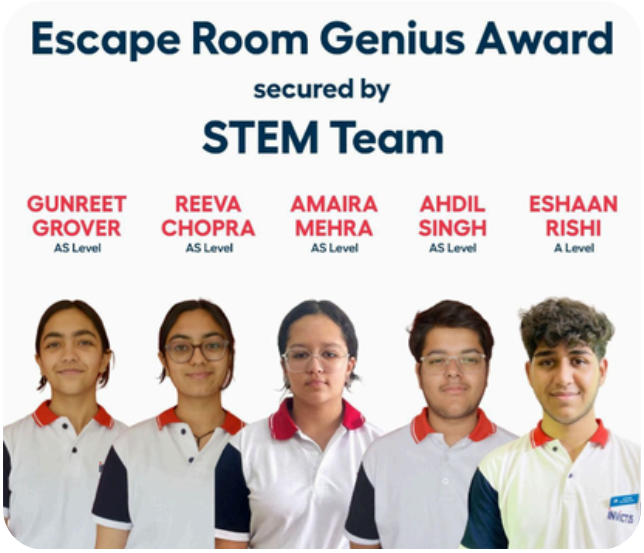

Invictus International School proudly hosted Melange 2024, its annual college fair, bringing together prestigious institutions from across the country on one unified platform. The event was a great success defined by keen students, vibrant energy, and the presence of dignitaries of India's most academically rocketing colleges. Students across many schools joined us with inspiring enthusiasm. The interactive sessions, discussions, and exhibits made for an enriching experience that could empower young minds to decide on their academic futures. Indeed, Melange 2024 truly embodied a celebration of education, collaboration, and aspiration.

INVICTORS SHINING AT THE IB LEAGUE!

Invictus International School students brought laurels to the school yet again for their outstanding performance in the IB LEAGUE competition. The school topped many categories, showcasing excellence in academics, creativity, dedication, and leadership.

PANEL TALK WITH DR NAVNEET GREWAL

On October 14th, 2024, Invictus International School students Reeva Chopra, Samreen Kaur, and Gunreet Grover engaged in a highly informative panel discussion with renowned dentist Dr. Navneet Grewal. The session was focused on dental hygiene, tips for preventing tooth decay, and debunking common myths surrounding dental treatments. Dr Grewal offered invaluable insights on maintaining oral health as well as hygiene all the while calmly addressing all the concerns of the students. she gave clear, applicable and practical advice to help demystify misconceptions which helped students leave with a much deeper understanding on dental health. The students were immensely grateful for her expertise and expressed their heartful gratitude for her time. Overall, it was a very fruitful and enlightening session for everyone involved.

DAAN UTSAV

Join the Joy of Giving!
Invictus is collecting essential items like stationery, books, clothes, toys, food, and hygiene products to help the underprivileged. Please send contributions with your child by October 14th to their class teacher. Your support is greatly appreciated!
